

Wolf Creek Public Schools is excited to announce our new online payment system! To comply with new Alberta Education reporting requirements and in an effort to centralize and improve access, parents will be able to pay their children's school fees through a NEW simplified and secure online website that is accessed through the PowerSchool Parent Portal.

The Acorn fee payment system will be integrated with the existing PowerSchool Parent Portal and will be accessible effective July 3rd, 2017. In order to prepare for the upcoming change, we are requesting that, if you have not done so already, you set up your Parent Portal account now. This will assist in the transition process of leaving SchoolCash.Net and begin utilizing Parent Portal for future purchases. This change will impact the entire Wolf Creek Public Schools (WCPS) division.

NOTE: Some Wolf Creek schools already use Parent Portal extensively for such items as student marks and attendance, while others do not. If your child(ren) attends a school that uses Parent Portal, you may have already created this account and will not need to create a new one. However, you may need to add any student(s) not already attached to your account through the PowerSchool Parent Portal.

You may log on to the Parent Portal by visiting
<https://ps.wolfcreek.ab.ca/public/home.html>

The Parent Portal is also available from our school website. The Parent Portal link looks like this icon:

If you have not previously created a Parent Portal account, instructions are attached in a link on this site. After July 3rd, when you log on to the Parent Portal, you will see a link called "Student Fees" along the left side of the page. The Acorn link will also be available on the school websites and will look like this icon:

For more information regarding PowerSchool Parent Portal or fees, please contact your child's school. For inquires about using the ACORN Fees system, please email payments.help@wolfcreek.ab.ca.
