Schools play an important role in the education and socialization of our children. In this process, personal information is often collected and used for authorized programs and activities that are a normal part of school life. *Further information regarding the collection and use of personal information not specifically itemized under the School Act is available at your school main office.*

**It is important to understand that school events which are open to the public are not subject to the conditions of the FOIP Act. These events may include general assemblies, concerts, school plays, special activities, academic-focused activities and athletics. The general public, parents and media may be in attendance and are allowed to take photographs, create video and audio recordings, and conduct interviews, without first obtaining consent. (It is not expected that the general public or parents will conduct interviews.) The media are expected to work cooperatively with schools within the realm of mutually agreed upon guidelines and protocol.**

Throughout the school year, there will be opportunities for television, radio, newspaper, community organizations, and School Division Representatives to be invited into the school to provide outside coverage of events and programs not included in the general public category described above. Also, throughout the year, there may be opportunities to display your son/daughter’s work or other forms of school work at locations outside of the school. There may also be educational activities where your son/daughter’s school work may be hosted or displayed online via a website or social media tool. All of the activities described in this paragraph are not considered to be in the public domain category described in bold print above. Your signature (parent/guardian) will authorize your selected option with respect to your son/daughter (as named on this form) being involved with the following activities:

1. interviewed by the media; approved community organizations; School Division.
2. photographed by the media; approved community organizations; School Division.

5. having student work posted in various social media tools for educational purposes
6. having your son’s/daughter’s name, photograph and/or school work posted on Wolf Creek Public Schools website.
