

Ecole James S McCormick
School Supply List
2022 - 2023
French Immersion Grade Three

For the 2022-23 school year, ÉJSMS is offering a service to families, *based on a request from the school council.*

We have priced out the cost of school supplies through a few suppliers and come up with a list that will hopefully save families money and time by paying the school instead of having to go shopping for supplies. These supplies will be for communal classroom use and will remain in the building at the end of the year.

By buying in bulk when possible, we have come up with a cost of \$60.00 per grade three student, to be ordered & paid through your Parent Portal.

The only supplies you still need to purchase for your own child are

- Backpack
- Lunch kit (label with your child's name)
- Indoor running shoes (VELCRO closure, low heel, non-marking soles, labeled)
- Water bottle (label with your child's name)

Alternatively, you may also purchase items on your own using the following list.

ALL SELF-PURCHASED ITEMS NEED TO BE LABELED INDIVIDUALLY.
